

The Board of Directors is pleased to update all Members of the Club, that yesterday (13 March 2020) in the Supreme Court of NSW, Justice J Stevenson dismissed the injunction brought against the Club that prevented the Board from executing an agreement with Deicorp.

Together with an overwhelming level of support from Members at the Extraordinary General Meeting on Sunday 1 March and this decision by the court, we can now start work building the most amazing Polish Club anywhere in the world.

The Board of Directors and I wish to, again thank all our Members, customers and supporters for their dedication and good wishes. We will keep you updated as we progress through the development process.

Meanwhile we are open for business and look forward to seeing you at the Polish Club soon.
